

COMPUTER ASSOCIATION

EVENT REPORT

2012-2014

Social Event, 20-9-12

In this event the students of our college went to Zilla Parishad school and gave basic practical knowledge about computers. The children of Zilla Parishad School were very excited as they got to know about computers.

Quiz Competition, 28-08-13

Around 15 groups participated in this competitive quiz. All the questions were related to computers and programming languages. It was a neck to neck competition and was full of excitement. We got a good response from our students.

Winners of Quiz competition:

Winner group:

5096 Yogesh Bhagyavant (F.Y.C.S)

5095 Rajendra Mukundan (F.Y.C.S)

Runner up group:

5121 Aditya Negi (T.Y.I.T)

5152 Anoop (T.Y.I.T)

Ad-Mania, 21-09-13

This event was an event which was a little bit different from other events as students were given topics on the spot and were asked to prepare advertisements on them within half an hour and present an ad in front of the judges. It was a joyful event through which they gained knowledge about animation technology too.

Winners:

1st prize Vikas Singh (S.Y.I.T)

2nd prize Renuka chavan(F.Y.I.T)

Social Event, 14-02-14

During this event a visit was held to the a deaf and dumb institute, where our CA students were given an opportunity to showcase their knowledge about computer and as a goodwill some stationery and sweets were also distributed among the children. It was a remarkable opportunity for our students as they got to know about the problems that were faced by the deaf and dumb children.
