- HOSTED RAIGAD DISTRICT N.S.S. PLANNING SESSION 2015-16 IN ASSOCIATION WITH UNIVERSITY OF MUMBAI
- DENTAL CHECK-UP CAMP
- BLOOD DONATION CAMP
- SAVE ELECTRICITY CAMPAIGN
- SARTAK – MAREEZ HAQ ABHIYAAN
- CAREER GUIDANCE SESSION
- FRESHERS ORIENTATION
- MEGA WALKATHON – HEAL THE WORLD 2015
- FELICITATION OF PROF. SHABAB RIZVI BY LIONS CLUB

## **Enrolment for the academic year** **2015-16**

- N.S.S. Unit, under the leadership of Prof. Shabab Rizvi and Prof. Kumudini Das commenced its activities from 16<sup>th</sup> June, 2015 with enrolment of students as volunteers from B.Com., B.Com. (Financial Markets), I.T. and C.S. streams.

# MEGA HEALTH CHECK-UP (BARNES COLLEGE)

# **MEGA HEALTH CHECK-UP** **(BARNES COLLEGE)**

- A general health check-up camp was held at Barnes College on 18<sup>th</sup> and 19<sup>th</sup> June, 2015.
- N.S.S. volunteers tried to understand the community and the problems they suffer.
- Volunteers taught children and women how to maintain basic hygiene and its importance and their aim was to reach 60,000 women and children.
- The camp proved to be of great help to villagers who were the beneficiaries of the health check-up camp.

# YOGA TRAINING SESSION

# YOGA TRAINING SESSION

- Yoga connects the mind and body and bring harmony in an individual and plays an important role in stress management.
- Under the guidance of Mr P.K. Bhardwaj in the Dr. K.M. Vasudevan Pillai campus basically to bring awareness on Yoga amongst the students, teachers and non-teaching staff of the college.
- The camp was very informative as it they provided information regarding the Yoga and Health, Role of Yoga in Sports, Role of Yoga in Life Threatening Epidemics, Yoga & Mental Health, Aasans & their role in Physical and Mental Fitness.

# PULSE POLIO DRIVE

## PULSE POLIO DRIVE

- With a global initiative of eradication of polio in 1988, Pulse Polio Program was launched in India in 1995. Children under the age group of 0-5 were administered polio drops.
- PULSE POLIO DRIVE was conducted in Panvel area from 21<sup>st</sup> to 25<sup>th</sup> June, 2015.
- The camp proved to be a great help for villagers and it was good experience for our volunteers too.

# TREE PLANTATION DRIVE

# TREE PLANTATION DRIVE

- The future will be either green or not exist at all. How's that?
- The truth lies at the heart of mankind's most pressing challenge, namely, to learn to live in harmony with Mother Earth on genuinely sustainable basics.
- Working towards this noble cause, we organized a TREE PLANTATION DRIVE at Rohinjan Village in Panvel on 1<sup>st</sup> July'15. More than hundred saplings were planted by our students. The main aim was agro forestry. To grow fruit – bearing plants on fields to provide additional income to farmers, thereby helping in environment conservation and rural development. The aim was easily fulfilled because of enthusiasm and energy that students put in. The villagers now take care of the saplings.

## Pillai college spreads awareness on leprosy

The NSS cell took the initiative by organising a camp

DNAINQUIRY.COM

New Parvati: The National Service Scheme (NSS) cell of Pillai College of Arts, Commerce and Science in New Parvati had organised a leprosy awareness, rehabilitation and treatment camp last night. With NSS ALERT INDIA, on July 7.

Our country has the maximum number of leprosy patients, and this can be overcome only by educating people. One of the reasons being that leprosy is the most feared contagious and communicable disease, so it can be easily cured.

The NSS cell of Pillai col-

lege took the initiative to educate people by organising the programme which will address all the students. The main aim of the initiative was to focus on the signs of leprosy, signs and symptoms and how to overcome it by simple and effective treatment.

ALERT INDIA distributed donor card to every student to collect voluntary donations from people who were willing to help. This money will be used in the treatment and rehabilitation of such patients.

Pillai college has set the record every in the academic year 2014-2015, for collecting Rs 98,000 and donating it to this NGO.

### Focus on causes and treatment

Our country has the maximum number of leprosy patients, and this can be overcome only by educating people.

One of the reasons being that leprosy is the most feared contagious and communicable disease, so it can be easily cured.

ALERT INDIA distributed donor card to every student to collect voluntary donations from people who were willing to help. This money will be used in the treatment and rehabilitation of such patients.

# 550 STUDENTS ATTEND LEPROSY AWARENESS CAMP

**G Mohiuddin Jeddy**

✉ [htfornavimumbai@hindustantimes.com](mailto:htfornavimumbai@hindustantimes.com)

**NEW PANVEL:** A college at New Panvel organised a leprosy awareness camp earlier this week.

"India has the maximum number of leprosy patients, so it can be overcome by educating people. Leprosy is also one of the least dangerous among communicable disease. It is easily treated if one gets infected," said Nivedita Shreyans, public relations director of the NGO Alert-India, which was one of the organisers of the event along with the NSS Cell of Pillai College of Arts, Commerce and Science, New Panvel.

"The programme was attended by 550 students.

"The prime focus of the programme was learning the causes of leprosy, signs and symptoms and how to overcome it by simple and effective treatment," said Shreyans.

## Pillai College Bags First Prize For Blood Donation Drive

By Ashok Dhanija

**NEW PANVEL:** Pillai College of Arts, Commerce and Science, New Panvel, NSS (National Service Scheme) bagged first prize for maximum blood collection during Blood Donation Camp in the entire Raigad district. Prof. Shahab Rizvi (Chief NSS program officer) was felicitated on behalf of the entire NSS unit of Pillai College with

trophy at Vidyaapeeth Bhuvan by Dr. Sanjay V. Deshmukh, Vice Chancellor of University of Mumbai. College

collected 323 blood bottles donated by students, teaching and supporting staff. 'Blood donation is one of the most significant contributions that a person can make towards the society. Our body does not get affected if we donate blood. It is a healthy gesture. We must keep this spirit alive up to any cost,' shared Dr. Sanjay V. Deshmukh on the occa-

## Pillai's College Donates 528 Blood Bottles

**By Ashish Bhattacharya**

Pillai's College, Palani, Coimbatore District, has been a pioneer in National Service Scheme (NSS) Cell activities. A Mega Blood Donation Camp was held at the college with a view to encourage more and more students to donate blood. The camp was held in conjunction with the Indian Red Cross Society, St. George's Hospital, Palani. The camp was held in the college hall and was attended by the students and staff. The camp was a success and a large number of students donated blood. The camp was held in the college hall and was attended by the students and staff. The camp was a success and a large number of students donated blood.

Indian Red Cross Society which is one of the major branches of the Red Cross Society follows a regular programme with total donation for all the blood bags and is using the best Indian Red Cross blood which is essential help for the needy. They have been

Pillai's College's Asst Professor and NSS Chief Program Officer Shashib Rishi (3rd from Right) along with his team of volunteers and some of the students who donated blood on the occasion.

Students gather in large numbers for the noble cause.

the reason for other blood banks and have participated in the field of blood service. Doing one

of the largest voluntary blood banks in India since 1962, IBCS have been regularly conduct-

ing motivational programmes to organise National Blood Donation Camps. It has been

more than 100 blood banks all over the country in different states and districts and we are happy to be associated with IBCS and all other blood banks in this noble cause. We are thankful to the doctors, dedicated students, teaching and non-teaching staff for their generous response to the blood donation drive. Their support has enabled all the above organisations to save many lives and help those people with blood who need it the most" shared Shashib Rishi.

Shashib Rishi, Asst Professor of the institution, who is one of the camp leaders.

On the other hand, Shashib Rishi, Asst Professor and NSS Chief Program Officer of the institution shared, "As a vital goal of the community, NSS cell of our institution have been working to promote voluntary blood donation camps with high hygienic standards over the years. The focus has been on creating awareness among the students to contribute to the noble cause and save lives of the needy. During our blood drive we managed to donate 528 blood bottles of which St. George's Hospital collected 101 bottles, St. George's Blood Bank 124 bottles, J.J. Memon Blood Bank 150 bottles and Red Cross 147 bottles. This is compared to last year's record of 328 blood bottles in the entire Palani District. It's the hard work of NSS team which has been motivating and values and beliefs to their students that is responsible for such good response."

## DF Social Action Awards to ITM Kharghar

Dr. Yashpal Singh, Secretary, DF Social Action Awards

highlighted the important role played by ITM Kharghar

# MEGA WALKATHON - HEAL THE WORLD 2015

**PILLAI COLLEGE OF ARTS · COMMERCE AND SCIENCE · NEW PANVEL**

**S U P P O R T S**

**MEGA  
WALKATHON 2015  
HEAL THE WORLD**

**2nd OCTOBER 2015 \* NAVI MUMBAI**

**ORGAN DONATION MOVEMENT**

# MEGA WALKATHON - HEAL THE WORLD 2015

- The initiative was supported by Hon. Dr. Ashok Mehta, Ex-Sheriff of Mumbai, who willingly participated in the event on 2<sup>nd</sup> October, 2015.
- Lions Club were the organisers of the event and our college supported the movement enthusiastically in Organ Donation Awareness.

## Walkathon...

Cont. from pg. 5

The initiative was supported by Hon Dr Ashok Mehta, Ex-Sheriff of Mumbai, who joined the participants from Lions Club, five NMMC Schools (Karave, Koperkhairane, Ghansoli, Sanpada & Turbhe), ASP Convent School, Ghansoli, Tilak Education Society, Pillai College, Sanyameva Jayate Unit, Mumbai Maratha Ekasangh, OBN Foundation, Advanced Eye Hospital & Institute, Mansarovar Vidyalaya, Mumbai Dabawalla Association, Melody Memories and Corporate Excellence Management Centre, Oriental Management College etc.

Dr Anvay Mulay, Chief of Cardiac Surgery, Fortis Hospital, Mumbai, who conducted the recent three successful heart transplants addressed the gathering at the hospital premises, sensitizing them about the importance of Organ Donation. "The subject of Organ Donation is very sensitive in nature and has generated a lot of interest across the state and the country because of the three consecutive successful heart transplants recently. While this is good news, the momentum needs to continue with as much fervor

Dr Anvay Mulay, Chief of Cardiac Surgery, Fortis Hospital addressing the gathering on the occasion

and focus. With this initiative, we hope that many more families come forth and join us in our efforts directed at saving and enriching lives".

Prabhat Ranjan, Commissioner of Police, Navi Mumbai, said, "I strongly support organ donation and hence I stand here in support of this initiative. Through this initiative, we've been able to bring together over 3,000 strong supporters who will help drive the initiative across the region".

Thanking the participants of the walkathon, Dr Bipin Chevale, Facility Director, Fortis Hospital, Vashi, said, "The passing of the Transplantation of Human Organ Act in 1994 paved the way for organ procurement from brain dead donors and transplanting them in patients wait-

ing for organ transplantation. Through this initiative, we endeavor to spread awareness about this noble cause, as we firmly believe that India's rate of organ donation will only rise with increased awareness."

"Taking forth the baton of 'Heal the World', this one of its kind event witnessed enthusiastic participation. A large number of patients in India are waiting for the availability of organs from the brain dead/living donors. It's important that we understand this issue and join hands with our family, friends and with their support we can help leverage the cause for the benefit of the

Society at large" shared Lion Nitin Shetty, District Governor of Lions Clubs International-District 323A2.
