ABOUT COLLEGE

Pillai College of Arts, Commerce and Science was found in 1998 by Dr. K. M. Vasudevan Pillai whose vision was to provide students of Navi Mumbai with quality education in a high-tech atmosphere. It is situated in a 10 acre land surrounded by natural beauty and supported by the best infrastructure facilities, a state-of-the-art conference room, well-equipped computer labs and well-stocked libraries. Over many years the institution has developed its own identity. The hallmark of this identity is, not to walk on the beaten path but to strike new roots, not to benchmark but to be bench-marked. Within 20 years of its inception PCACS could achieve excellence in performance and attained NAAC "A" grade re-accredited

ABOUT WEBINAR

A Good quality research provides evidence that & robust, ethical, stands up to scrutiny. It should adhere to principles of professionalism, transparency, accountability and auditability. The main purpose of research is to prove a theory, and contribute to developing knowledge during a field or study. Therefore, educators and researchers can use those research findings to enhance their competences and teaching and learning process. The National Seminar strive to provide a platform for academicians and research scholars on "How to write and publish quality research papers in Scopus & High impact Journals". The underlying idea of the seminar is to inculcate the thought that " Quality and not Quantity should dominate research.
