Presentation of Best Practices-01

1. Title of the Practice

Alumni Engagement: Fostering Lifelong Connections

2. Objectives of the Practice

The primary objective of the Alumni Engagement practice at Pillai College is to cultivate enduring relationships between the institution and its alumni community.

This practice aims for following objective:

- 1. To foster collaboration and synergy between the educational institution and the corporate world, leveraging the expertise, experiences, and networks of alumni to enrich the educational experience of current students and enhance their employability in the competitive job market.
- 2. To create a vibrant ecosystem where alumni feel valued, connected, and inspired to give back to their alma mater.

3. The Context

At Pillai College (PCACS), we recognized the importance of keeping our classes relevant to the real world. That's why we initiated efforts to connect our alumni, with their diverse backgrounds and careers, with our current students and teachers. It proved challenging, however, as alumni had varying interests and schedules. Some preferred guest lecturing, while others leaned towards online mentorship. We realized the need for flexible and tailored strategies to effectively engage alumni across different demographics. This is why we focused on developing new approaches to foster meaningful interactions and partnerships between alumni and our college community.

4. The Practice

Pillai College of Arts, Commerce & Science (PCACS) has distinguished itself with a multifaceted approach to alumni engagement. At the heart of PCACS's approach lies the recognition of alumni as invaluable assets whose contributions extend far beyond their years as students.

Alumni Meets: One cornerstone of PCACS's approach is the organization of regular alumni meetups. These gatherings serve as valuable opportunities for alumni to reconnect with their alma mater, reminisce about shared experiences, and forge new connections. By facilitating face-to-face interactions in a relaxed and convivial atmosphere, the college fosters a sense of belonging and camaraderie among alumni, reinforcing their ties to the institution.

Mentoring: In addition to physical gatherings, PCACS established an online platform dedicated to alumni networking and mentorship. This virtual space enables alumni to stay connected regardless of geographical barriers, facilitating ongoing communication, collaboration, and knowledge-sharing. Through the platform, alumni can offer guidance and support to current students, providing invaluable insights into various career paths and professional opportunities.

Career guidance and Job Opportunities: PCACS actively involves alumni in academic and career-related initiatives, recognizing their wealth of expertise and experience. Alumni from diverse industry backgrounds were invited to participate in our Industry-Academia Conclave. Alumni involvement in career counseling and placement initiatives further enhances the

employability of current students, leveraging alumni networks and industry connections to facilitate internship and job opportunities.

Alumni as Board of Studies members: we encourage the participation of alumni in its Board of Studies (BOS). Their firsthand knowledge of current industry trends, emerging technologies, and evolving market demands provides invaluable guidance in ensuring that PCACS academic programs remain relevant, rigorous, and responsive to the needs of students and stakeholders.

Alumni entrepreneurs: Alumni entrepreneurs play a significant role in PCACS alumni engagement strategy. They serve as valuable mentors and advisors to current students, offering guidance, insights, and practical advice based on their own entrepreneurial journeys. Alumni entrepreneurs also contribute financial resources, offer in-kind support, and provide access to funding opportunities for various initiatives within the PCACS startup community. They also provide internship opportunities to the current students in their startup ventures.

Alumni powdered Scholarships: One of the hallmarks of PCACS's alumni engagement strategy is its emphasis on philanthropy and giving back. The college has initiated fundraising campaigns led by alumni to give scholarships to deserving students who demonstrate academic excellence and a strong extracurricular record.. This culture of philanthropy not only strengthens the college's financial sustainability but also fosters a sense of pride and ownership among alumni.

S	Name of			
r	Programme /			
n o.	Department / Association	Alumni Activity	Alumni Name	Link
-	B.Sc IT	Demystifying AI with ML	Mr. Madhav Mishra

6. Problems Encountered and Resources Required

Despite facing financial constraints and logistical challenges, PCACS demonstrates remarkable resilience and resourcefulness in implementing this practice effectively. Through the collaborative efforts of staff, alumni, and volunteers, the college leverages existing resources and harnesses the collective power of its alumni network to drive positive change and innovation.

Presentation of Best Practices-02

Title of the Practice: Anubhav Manthan: Fostering Experiential Learning Through a Multi-Faceted Approach

Objectives of the Practice:

1. To integrate real-world experiences into the curriculum, enhancing theoretical knowledge with practical application.

2. To provide platforms for skill development and collaboration through active participation in student-led clubs and associations.

3. To support students' personal and professional growth through specialized support centers.

4. To engage students in service-learning programs that apply academic knowledge to societal needs.

The Context

Anubhav Manthan aims to bridge the gap between classroom learning and real-world applications. Recognizing the need for practical experience in today's competitive job market, our institution has developed a comprehensive experiential learning program. This initiative aligns with our mission to provide holistic education that prepares students for professional and personal success.

The Practice:

1. Integration into Curriculum:

Every program incorporates experiential learning through internships, field visits, and projects. These components are seamlessly embedded within the curriculum, ensuring that students gain hands-on experience relevant to their field of study.

2. Student Clubs and Associations:

We encourage active participation in student-led clubs and associations, providing platforms for practical skill development and collaboration. Some of these include:

- Institutions Innovation Council
- Fitness & Wellness Centre
- Heritage Club

- Finazza Association
- Biotech Association
- Management Association
- Kalashetram
- Financial Market Association
- Computer Association
- Alumni Association
- Economics Association
- Literary Association
- Maths and Statistics Association
- Marathi Vangmay Mandal
- Magazine Committee

3. Student Support Centres:

We offer specialized support centers aligned with students' interests and career aspirations, including:

- Student Support Centre in Sports:Focuses on training, fitness regimes, and sports management through practical activities.

- Student Support Centre in Theatres:Provides mentorship and hands-on experiences in acting, stagecraft, and theatrical production.

- Student Support Centre in Social Media Management: Equips students with skills in digital marketing, content creation, and brand promotion.

- Student Support Centre in Event Management: Teaches event planning, coordination, and execution through hands-on involvement in organizing events like Alegria: The Festival of Joy.

4. Student Outreach Centres:

Service Learning Programs are executed through these Centres to address community needs while providing practical learning experiences. Some of these Centres include:

- Commerce Club
- Centre for Smart System
- Centre for Biosciences
- Centre for Accounting & Taxation

- Centre for Skill Fostering
- Centre for Social Sciences

Evidence of Success:

Anubhav Manthan has significantly enhanced students' practical skills, employability, and civic responsibility. The program's success is reflected in students' ability to apply theoretical knowledge in real-world settings, high engagement in community service projects, and positive feedback from employers regarding students' preparedness and competencies.

Problems Encountered and Resources Required

Problems Encountered

- Balancing academic and experiential learning components within the curriculum.

- Coordinating schedules between academic commitments and extracurricular engagements.

Resources Required:

- Financial support for internships, field visits, and project-related expenses.

- Collaboration with industry partners and community organizations for internships and outreach programs.

Anubhav Manthan exemplifies our commitment to nurturing a well-rounded educational experience. By integrating hands-on learning into the curriculum and providing robust support systems, we empower students to excel academically, professionally, and personally. Through this program, we strive to create graduates who are not only knowledgeable but also skilled, empathetic, and ready to contribute meaningfully to society.
